

# ALPHACOUSTIC VIEW

Transparent curtain fabric; Large-scale digital print on best selling acoustic Alphacoustic quality. The classic's simple, finely ribbed texture is enhanced with an artistic design. View shows a faintly abstracted vista into the natural world. In the upper third diverse treetops appear from the pale grey base – akin to trees that emerge from the mist and fog below. Irrespective of whether the colour setting is in spring or autumn colours, View subtly brings nature into the interior – in the contract and in the residential sector.
